

## **Adler Realty Services opens in Naples**

Adler Group, one of Florida's oldest and largest commercial real estate firms, has announced that it has opened an Adler Realty Services office in Naples.

Adler Group currently owns Collier Park of Commerce and Commerce Center of Naples that are comprised of office, flex, warehouse and retail space.

In addition to handling the leasing for Adler Groups' Naples properties, Adler Realty Services will also serve the diverse real estate needs of both tenants and owners of office, warehouse and retail properties and can assist on leasing matters with tenant representation or landlord representation.

"While Adler Group has long had a presence in Naples, we wanted a dedicated team on the ground to be a part of the exciting growth taking place in the market," said Michael M. Adler, chairman and CEO of Adler Group.

"Our thorough understanding of the industry is not only beneficial to our properties but is also a large asset to new clients in the area."

Adler Realty Services' 2,500 square foot, new office is located in Adler Group's Collier Park of Commerce at 3050 North Horseshoe Drive, Suite 198. The office accommodates a team of five from Adler Realty Services including Teresa M. Clark, portfolio manager for the Central Florida Region, who continues to manage the Naples market and new associate Dara Goren who will handle leasing activity and lease negotiations of Adler Group properties in the Naples market. Prior to joining Adler Realty Services, Goren was a licensed commercial sales and leasing agent with Boback Commercial Group in Fort Myers.

Adler Group brings 50 years of commercial real estate experience with them to the Naples market and a deep commitment to local communities. To mark this commitment, Adler Group will make a donation to the Collier County American Cancer Society's Laureate Society during a special breakfast event on February 18, 2010.
